

Little Canada Canadian Days

August 2-4, 2019

Theme: *We Are Family*

Every summer since 1977, Little Canada Canadian Days, Inc. has hosted a three day community festival in Spooner Park which has become one of the best attended community festivals in the region with over 10,000 attendees. We strive to offer a wide range of activities for people of all ages. Year round planning is done by a dedicated committee of volunteers who organize, setup and manage the entire event.

Canadian Days offers something for everyone, including free entertainment each day of the festival. Your organization will be recognized as a vital community partner in this event when you support our non-profit 501(c)4 organization.

The festival is simply not possible without your support. We urge you to consider partnering with us as a sponsor this year. There are several sponsorship levels for your consideration. To ensure that you will be included in all of our printed promotional materials, please respond on or before May 3, 2019. If you have any questions or need additional information, please contact:

- Sue Nelson at (651) 483-4541
- Janene Connelly at (651) 501-8719
- Email: info@canadiandays.org.

Thank you for your partnership and financial support.

Note: Mark your calendar for the Porterhouse Sponsor Reception on Tuesday, July 23.
