## About Canadian Days

Did you know that Little Canada's Sister City is Thunder Bay, Ontario, Canada? Little Canada's relationship with Thunder Bay became official when the mayors of both cities signed a Twinning Agreement in 1977. We hope that you and our Sister City friends can join us this year and have chosen "**Canadian Days '23-Celebrating Community**" as our festival theme.

**What is Community? It can be many things:**

- **People who live in the same town.**
- **People who go to school or work together.**
- **People who want to treat each other with respect.**
- **People who find reasons to get together and celebrate.**
- **A neighborhood or place where friends meet and play together.**
- **An opportunity to give back to place that you believe in.**

We are planning many fun ways to integrate the theme into our events and the winning button design will be an important part of that mix.

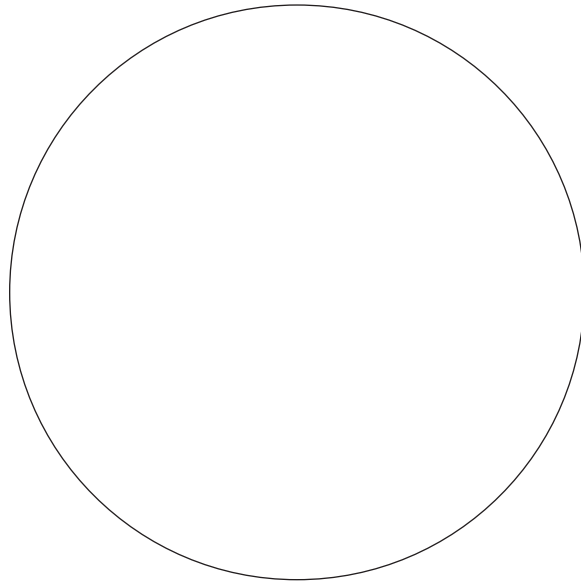

Canadian Days is a celebration that invites friends and families to partake in a wide variety of events and activities, whether you are new to the area or have been here for years. The festival will be held from **August 4-6, 2023**.
