The cost of a dog license is \$20 and the license is valid for two years from today's date. A dog license will not be issued without proof of current rabies vaccination. If the vaccination expires before the license, the owner is responsible for promptly renewing the vaccination and providing the city with a copy of the new certificate.

A \$5 discount will be given to pets who are spayed or neutered, but appropriate documentation is required.

A dog under three months of age need not be licensed. Lost tags can be replaced for a \$5 fee.

Only three pets are allowed per household (dogs/cats). Dogs must also be restrained when off the owner's property and shall not be allowed to bark continuously. Kennels are not allowed within the City of Little Canada. More regulations pertaining to dogs can be found on our website at www.littlecanadamn.org, Section 1101 of Little Canada's Municipal Code.
