Permit application:

1. The application of the permit for the manufacturing, storage for commercial purposes, and sale of fireworks shall be made to the City a minimum of fifteen (15) days prior to operating.
2. Permits shall be issued on a calendar year basis.
3. Submit a signed authorization and release form for the criminal records check that must be conducted prior to processing the application. Neither the applicant nor the responsible party for the permit shall have been convicted of a felony or a fire/fireworks-related misdemeanor within the last three (3) years.
4. Prior to processing the application the Fire Marshal shall determine that the proposed location is code compliant.
5. The application shall include: a letter from the person legally responsible for the property on which the fireworks related activity will occur. Such letter shall grant permission to the applicant for the use of said property.
6. The application shall include: a floor plan designating the area for manufacturing, storage for commercial purposes or display, along with a list documenting the name, weight, and quantity of the fireworks within the building and the material safety data sheets.
7. Any permit granted hereunder shall be nontransferable.

Permit fee:

The fee for the permit shall be one hundred dollars (\$100.00) if storage and sales occur from within a permanent structure and three hundred fifty dollars (\$350.00) if storage and sales occur from a temporary structure.
